Presents...

### The 22<sup>nd</sup> Annual ASCE SDSU Softball Tournament

Dear Softball Team Captains:

It is with great pleasure that the ASCE Student Chapter at San Diego State University would like to invite you, your company, and your friends and family to attend the 22<sup>nd</sup> Annual ASCE SDSU Softball Tournament. We will be hosting this year's tournament at **Hourglass Park** in Mira Mesa on **Saturday, October 16, 2010** from 8:00AM to 5:00PM.

As you may or may not know, this annual tournament is our chapter's largest fundraiser and we greatly appreciate the support of the local engineering community. It is **you** who make achieving our yearly goals possible; these goals include supporting bi-weekly chapter meetings, funding multiple outreach projects, and allowing our chapter prepare for and compete in the Pacific Southwest Regional Conference (PSWRC) held at the California State University, Los Angeles in Spring 2011.

The cost of the tournament is **\$450 per team**. If your company would like to make an additional donation to assist our chapter in the many challenges of the PSWRC, it would be greatly appreciated. There are 16 spots available and will be filled on a first-come, first-served basis, so we recommend that you register your team as soon as possible. **If your firm does not have enough players to fill your team roster, we will help coordinate with other firms that are in the same situation to create a joint team.** We have arranged for umpires on each field at all times, planned for a large BBQ lunch, and will be awarding trophies to the top three teams.

In order to properly plan for this incredible event, we ask that you **RSVP as soon as possible**. The first 16 teams to RSVP and whose checks are received will be officially registered, whereupon a payment confirmation and registration packet will be sent out. The packet includes the official tournament rules, directions to Hourglass Park, a T-shirt order form, and a release of liability form that **ALL** players must sign. **All checks/registration fees must be received no later than Friday, September 10<sup>th</sup>.**

Please make checks payable to **ASCE SDSU** and mail to:

For additional information or to RSVP, please contact me at [brettpatterson2@gmail.com](mailto:brettpatterson2@gmail.com). Please come support San Diego's future civil engineers and show off your skills on the field at the 22<sup>nd</sup> Annual ASCE SDSU Softball Tournament. We look forward to seeing you out there! Thank you for your support.
